Dear Parents / Carers,

Another busy week closes and the preparations for Christmas have well and truly arrived!! - Thank you for your donations and items for the tombola and auction. We are still requesting help on stalls. A list of stalls, with time slots is in the foyer. Please add your name if you can help. It is this support which ensures the Fayre is a continued success.

Play practices are progressing well. The children and staff are working exceptionally hard, with excellent results. Tickets are now on sale at a cost of £2.50 per ticket available from the School Office. Each family may purchase **two** tickets per performance ( afternoon and evening.) Next week, Reception to year 6 will be visiting Techniquet in Wrexham on Tuesday 29<sup>th</sup> November. This is to further improve 'problem solving skills' using a range of practical equipment. It is also ' Christmas themed!!'

You will also have received letters with information about Christmas Dinner on **30<sup>th</sup> November**. Please return slips indicating whether you wish your child to have a Christmas dinner.

In adverse weather, I will inform you of any school closure via the Flintshire County Council website. - Hopefully we will be able to keep school open, but we need to consider the safety of all concerned should the weather turn unfavourable!

**PLEASE NOTE that there will not be show practices next week due to the organisation of the School Fayre.**

The Christmas cake stall raises a lot of money, so any donations of cakes would be most gratefully received on the day. THANK YOU. Your generosity and support is very much appreciated by us all.

We look forward to seeing you there. The children have been very busy making and decorating some lovely items to be sold. My thanks go to Mrs Owen, Mrs Wilberforce Marsh, Mr Stone, Mrs Williams, and Mrs. Dunn for giving their time so generously in school.

Please can you ensure that book bags and items of clothing especially coats are 'name labelled.' This makes it much easier to return the correct item to the correct child, when items are misplaced. THANK YOU!!
