Dear Parents / Carers,

Well, here we are at the end of our first half term of the academic year! We are very proud of the achievements of all of the children this term. They have all worked consistently hard and are deserving of a restful half term break. What a busy and productive half term we have had. Our walk on Thursday was a great success and the children have enjoyed using the Techniquiest equipment to 'problem solve' this week. Please see attached photos. They are for personal use. **Please be aware that these photos must NOT be copied and used on ANY social media site, under ANY circumstances.**

A huge thank you to the children, staff, parents and Governors for their hard work and dedication. I feel privileged to work at such a lovely school. We close today for one week's half term holiday today and return on Monday 31st October. The next half term promises to be an equally busy one, with many lovely activities and events to look forward to. Please see the dates for your diary below.

Whole school attendance for this half term has been very good 97.8%. Well done and please keep it up!
