

**Nursery/Reception** Find below a grid of activities that you can complete at home.

Adults - please use this as a guide, tweak activities to suit your child's interests and please take photos, I can't wait to see what you have all been up to!

<p>Daily Counting activities with small objects you can find in your house or outdoors.          -Making a visual number line with objects up to 5 or 10 or 20          -Adding 2 sets of objects or finding 1 more, taking away objects or finding 1 less          -Forming numbers in different ways e.g chalk, paint, sticks, leaves, beads etc 0-5 or 0-10          See youtube for formation</p>	<p>Using and recognising coins.          Matching coins/sorting coins          Find ways to make 5p/10p.          Make a shop in your house and encourage members of your household to buy items using money.          Using money to buy snacks you want throughout the day. E.g An apple - 2p a banana - 1p a biscuit - 5p</p> 	<p>Finding 2D and 3D shapes around the house.          Circle, triangle, rectangle, square, cube, sphere, cuboid.          If possible, use 2D and 3D shapes to create pictures or models.          Discuss names and properties of the shapes.</p> 	<p>Share a book a day - talk about the characters, your favourite part, think about what will happen next? Can you draw a picture in response to the story.          -Use oxford owl ebooks          -Mums, Dads, big brothers and sisters share their favourite books with you</p> 
<p>Measuring with different objects.          E.G My shadow is x shoes long, My bed is x socks long          Describing objects longer than/shorter than.</p>	<p>Enjoy nursery rhymes together - can you learn new ones?          Make a show for the people in your house.          Can you make props to help you perform your nursery rhymes?</p>	<p>Practice forming patterns/ writing your name / letter formations using different mark making resources.          Patterns: Wavy, zig zag, crosses, Catharine wheel patterns.</p>	<p>Can you use different materials to create a piece of art associated with spring?</p>
<p>Go on a listening walk, what can you hear? Use a stick to bang on different objects to hear their sounds e.g tree, fence, pots etc.          Use phonicsplay.co.uk resources          Make a tune with pots and pans.</p>	<p>Our next topic is 'In the Garden'          What can you see in your garden?          Draw a picture and write a sentence that shows what you have in your garden.          Find out what a flower needs to grow.          Go on a bug hunt, make a record of what you find, draw or write them.</p>	<p>Can you build a bug hotel to encourage minibeasts to your garden?</p> 	<p>Keep active - Use youtube videos daily for mindfulness e.g cosmic yoga, mindfulness breathing, wake up shake up          Go out on your bike if you can.          Kicking a ball, create a mini sports day if you have the space.</p>
