

## Language, Literacy and Communication

Mrs Parry phonics group- focus sound, 'i-e'  
Mrs Tomlinson phonics group- sounds recap- 'qu, ch, sh, th, ng'

Visit Purple Mash 2dos/ Seesaw for phonics activities.

### Challenge tasks

- **Seesaw activity: Book comparison.** Listen to another version of the story, 'The Secret Garden' on your Seesaw journal (shown in four parts). It's the same story but being retold by a different author. Which version of the book do you prefer and why?
- **2do/ Seesaw activity: Book Review.** Complete a book review for the story of 'The Secret Garden'. You can choose to do your review on either version that you have heard.
- **Oxford owl library.** Please visit the Oxford Owl library to **choose an ebook**. You will need to register to browse and access the library.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/#>

## Health and Well-being

This week have a go at the 'Go Noodle' Roar dance

<https://family.gonoodle.com/activities/roar>

For something more relaxed join in a short breathing exercise. **Bear Breathe**

<https://family.gonoodle.com/activities/bear-breath>

Log any activities you do on the **Get Set 'Travel to Tokyo' page** to help us reach our class goal

<https://www.getset.co.uk/travel-tokyo>

For detailed instructions please visit the school website news feed where Mrs Roberts has posted a step by step guide on how to submit your activity.

## Home Learning Journey Week Beginning 15<sup>th</sup> June 2020

### Expressive Arts

#### Making sounds

Follow the link to watch a video about making sounds out of recycling materials at home

<https://www.bbc.co.uk/bitesize/articles/zkgkwtv>

What sounds can you find at home using your recycling?

If you are feeling creative have a go at making your own jam jar xylophone. See the activity sheet in **Purple Mash/ Seesaw activities: Let's make a jar xylophone** to get a closer look at what you will need and instructions of what you need to do.

Don't forget to show us how it works by uploading a photo/ video to your seesaw journal.

Here is a selection of challenges to work through this week. These can be used as a guide and can be adapted to suit your own interests.

Keep in touch with me on Purple Mash/ Seesaw by sharing the activities you have completed.

### Humanities

#### The Good Samaritan

Read the story of 'The Good Samaritan'. Answer the questions about the bible story.

Complete the **2do/ Seesaw activity: Being a good neighbour**

Have a think about how the Samaritan was neighbourly and caring to help the injured man.

What can you do or what have you been doing during this time away from school to be caring to other people?

## Mathematics and Numeracy

### Symmetry

See my teaching video on your seesaw activities: Lines of symmetry in 2D shapes.

#### Challenge tasks

- **2do/Seesaw activity: Investigating lines of symmetry in 2D shapes**
- **2do/ Seesaw activity: Symmetry drawing.** Choose a picture and see if you can complete the image accurately the other side of the line of symmetry.
- **2do/seesaw activity: Outdoor Symmetry picture.** Using natural materials create a symmetrical image outdoors.
- **Symmetrical or Not-symmetrical-** visit the website to play the sorting game  
<https://www.topmarks.co.uk/symmetry/symmetry-sorting>

## Science and Technology

#### For a rainy day

**See:** observe the sky and watch the rain begin to fall. Do you see any rainbows or sunrays peeking through the clouds?

**Hear:** Close your eyes and listen to the sound of the rain.

**Smell:** Take in the smell of **petrichor** (the earthy scent when the rain first hits the ground)

**Touch:** Feel the rain against your skin. Stand in the rain perfectly still. Now run really fast. How does it feel different?

**Taste:** Lean your head back, open your mouth and taste the rain.

**2do/ Seesaw activity: For a rainy day write up of your experience.**

## Cymraeg

**2do/ Seesaw activity- Months of the year in Welsh**
