Mrs Parry phonics group- sound family 'oa,ow,oe,o_e'
Mrs Tomlinson phonics group- sounds recap- 'sh, th, ch'
Visit Purple Mash 2dos/ Seesaw for phonics activities.

Challenge tasks

- **2do/ Seesaw activity: Planning the best picnic ever.** This week I would like you to use the planning sheets to plan 'the best picnic ever'. I want you to make a list of everything you will need including food items, game ideas, and ingredients for sandwiches.
- **2do/ Seesaw activity: Spellings** I have given you a new set of spellings to practice based on your focus phonics sounds. You could read the word, cover the word, write the word and then check it. Ask someone at home to test you when you feel ready.
- **Purple Mash 2do: Sky-scraping Sunflowers!** Read Chapter 3 of the story Sky scraping Sunflowers. Complete the activities linked to chapter 3.

Health and Well-being

This week I would like you to **design a game** that you can play in your garden at your picnic with your family. The game can involve equipment you have at home and must have a scoring system.

Have a go at putting together a **healthy lunch box**. Follow this link to get some healthier lunch box recipes. This might help you with your picnic ideas too! <https://www.nhs.uk/change4life/recipes/healthier-lunchboxes#lunchbox-recipes>

Cymraeg

Seesaw activity- Garddio Labelling items in the garden

Home Learning Journey Week Beginning 6th July 2020

Expressive Arts

2do: Paint what is inside Anna's lunch box

Once you have created your healthy lunch box. Have a go at using the paint tool on purple mash to create a digital picture of your healthy lunch box.

Seesaw activity: Healthy food art

Create a fun image using healthy food items. See how creative you can be and enjoy eating your finished creation. Don't forget to take a picture before you eat it!

Here is a selection of challenges to work through this week. These can be used as a guide and can be adapted to suit your own interests.

Keep in touch with me on Purple Mash/ Seesaw by sharing the activities you have completed.

Humanities

Seesaw activity: All food comes from plants or animals

Watch this clip which makes you think about where our food comes from.

https://www.youtube.com/watch?v=Uv4ZN-Jr_g0

Complete the activity sorting the food items based on where they come from: plant or animal.

Can you sort items you have in your fridge or cupboards at home into foods which come from plants, animals or both? Ask an adult first before rummaging through the kitchen supplies.

Mathematics and Numeracy

Addition and Fractions

Complete the activities for 'Planning the best picnic ever'.

Challenge tasks

- **2do/ Seesaw activity: Picnic planning.** Use the prices to work out how much you will need to spend to make your different picnic sandwich selections.
- **Seesaw activity: Finding halves and quarters.** Complete the challenge cards. Could you make a sandwich and show me how you can cut it in half and into quarters?
- **2do: Fractonio's Pizzeria:** Become a 'pizza rookie' and help Fractonio in the kitchen to add the pizza toppings.
- **Seesaw activity: Lunch** Share the lunch equally between the two friends.

Science and Technology

Seesaw activity: Make it with Mud

Dirt is made up of tiny pieces of rock, sand, clay and other organic matter all mixed together. When you mix dirt with water, you get mud! The gooey, sticky mud can be a lot of fun. Step 1: Find a muddy area in your garden or make your own by adding water to dirt (add a little at a time).

Step 2: Try one or more of the following ideas

- **Mud bakery:** Make mud pies, cookies, cupcakes (don't be tempted to take a bite though!). Decorate your baked goods with leaves, flowers, moss, twigs, rocks and other natural materials.
- **Mud painting:** Collect dirt from different areas of your garden. Add water to get the paint just right. Try out your paint on a smooth tree trunk, rocks or paper.
- **Mud monsters:** Stick a glob of mud to a tree and create silly faces using sticks, feathers, berries, rocks or other nature items.
