How being a Leader, Executive Committee Member, Advisor or Trustee can help

By supporting and developing local Scouting for young people in our community to have fun, friendship and adventure.

Putting your own skills and experience to good use.

Learn new skills for yourself, your work, a CV, or gain in confidence.

Meet new people – you will also have a lot of fun.

How much time does it take?

It all depends what you want to do. As a leader, you will need to help at the meetings each week. (but you do get holidays) The Executive Committee meet around 4 times a year, usually for an hour in the evening. Trustees do not meet as such, but help where and when required. Advisors as and when needed.

We are a friendly bunch and gladly welcome new volunteers.

Do I need any special skills or experience?

The short answer is no. Our group members, whether leaders or committee members, have a range of backgrounds, skills and experiences.

But if you have any particular skills that could help us such as –

- Professional management or business experience
- Financial knowledge or experience
- Legal knowledge
- Social skills
- Camping skills
- Fundraising experience
- Administration skills
- Craft Skills
- Building knowledge – including plumbing, electrical, handyman skills

Whatever skills you have we would be grateful to have you on board.

You can also find further information on our website; TreffynnonCyntaf.wordpress.com

Hope to see you soon
