Diweddariad Prifathro / Headteacher Update:

It has been a busy week in school. Here are some of the highlights.
Nursery have been developing their gross and fine motor skills, linking to pre writing patterns. This week's focus is 'circle like the moon' and exploring what gives us light. Great!
Reception are continuing their Jolly Phonics Sounds and are exploring making a simple circuit with a light bulb. They are beginning to observe what they can see in the sky at night. Da iawn!
Year One and Two, have been developing the skills of writing sentences and securing number recognition and formation. They have been finding out where we are in the Solar System and learning about the main features of the planets that make up the Solar System. Well done!
Year Three and Four have been developing their hockey skills by dribbling and passing the ball. They have also been investigating different places of worship and the different ceremonies that are held throughout the year. Good work!
Year Five and Six have been developing their dodging and spatial awareness, when playing netball and have been practicing and developing their division skills using formal and written methods for short and long division. Da iawn pawb!
Have a great weekend!
